Prof. Ifar Subagiyo

Dear Prof. Ifar Subagiyo:

We, at the International Institute of Multi-Cultural Studies, really appreciate the strong ties that developed by MOU, and hope that we can help create healthy friendship between young Indonesian students and Japanese students.

This year, in March, we are planning to hold our Seventh Multi-Cultural Exchange Program in Malang. A group, really small in number, but strongly motivated group of students will stay in Malang from March 4th to March 11th. During that period of time, we would be honored if, by your permission, we could visit the University of Brawijaya. We would like to observe Japanese classes, and to have discussion session with UB students. Tentatively, we have set aside the afternoon of March 6th, from 12:30 to 15:00 for that purpose.

Before closing this letter, I would like to say that I am looking forward to visiting your campus and hope I will be lucky enough to have a chance to see you. I know you are a very busy person with a lot of responsibilities, but if I am fortunate enough to find you free, it would be nice if we could visit each other for a nice chat.

I am Looking forward to hearing from you, and hoping that this request to visit be granted.

Most sincerely yours,

Takao Ota, President
